Description

Pleasant brand new one bedroom apartment located on avenue de Grasse, 8 minutes walk from the Palais des Festivals. It is located in a recently built residence on the 2nd floor without lift. The apartment features an equipped open kitchen, a dining area, a living room area with sofa bed, a double bedroom, 1 shower room, a separate toilet, a mezzanine in the living room with two single beds (the ceiling being very low on the mezzanine, we do not consider it as a bedroom), a large terrace with view over the roofs and a glimpse over the sea. For more comfort, the apartment is also equipped with the air-conditioning in the bedroom and in the living room. No telephone, no Internet connection.
