Description

The Hotel Murmuri is a modern and unique boutique hotel situated in one of Barcelona's most prestigious streets, the Rambla de Catalunya. Apart from its upscale and central location, the Murmuri also offers sophisticated design rooms with a classical touch, an Asian / Mediterranean fusion restaurant, a beautiful and relaxing terrace, as well as an afterwork cocktail and sushi bar called the Marfil. For Barcelona's event attendees willing to stay in a more of a 'home away from home' and intimate accommodation, the Murmuri Residence, near by the Murmuri Hotel, is the perfect alternative: apartments with all the services and amenities of an hotel in a more private atmosphere.
