Description

The CANA021777 is a nicely decorated and spacious two bedroom apartment in the Grand Hotel, just a few meters away from the Croisette. The 100m2 apartment features 2 bedrooms with two single beds (or doubles), a fully equipped kitchen, one bathroom with toilet, 1 shower room with toilet, and a large and modern living room opening onto a 40m2 terrace with a panoramic view. There is the possibility to rent an extra studio alongside the two bedroom apartment, which has its own separate entrance and possibility to share the terrace with the 2 bedroom, which includes two single beds and a shower room. The studio does not have a kitchen, but uses the one in the 2 bedroom. Air conditioning, TV and Internet available in both properties. There is an additional 2nd studio on the same floor that does have a kitchen, so if you need 4 rooms this property is also an option! Ask for more details.
