**Description**

The BCNA032101 is a luminous 100m2 apartment which opens onto a quiet passage and offers a relaxing 25m2 terrace. This apartment is on the first floor of a building with elevator (around 10 steps before the elevator). It features a spacious living and dining room as well as a perfectly equipped American kitchen and dining area. One bedroom includes a double bed and en-suite bathroom with a bathtub. The second bedroom features two individual beds (that can be put together and make a double). The last and third room has a trundle double bed. The second bathroom is equipped with a shower.
