Description

The CANA002190 is a renovated studio, very close to the convention centre, on the third floor with no elevator of a small building on Rue Florian. This is a quiet street filled with restaurants, very charming. The flat is organised in two spaces, living room and bedroom, in which it offers two single beds. The living room has a dining corner and a comfortable sofa. The kitchen is open and the bathroom has a bathtub. This studio is very practical and can be shared by two people. The main advantage is its closeness to the Palais des Festivals.
