Description

Excellently suited for guests attending conferences and events, this Cannes group accommodation is at less than 5-minutes walking distance from the Palais des Festivals and a 50-metre walk from the beach. The Palais des Festivals is the most important landmark in Cannes, representing years of famous and world-renowned events, like the Cannes Film Festival or the Cannes Lions Festival of Creativity, just to name a few. This year during your event, you'll want to stay as close to the conference centre in order to have the most convenient as possible. To relax after a long day at the Palais, be sure to stop by the beach on your way back to your team headquarters! The entire apartment is tastefully decorated with a fully-equipped kitchen, and if you look out of the right window, you can also catch sight of the beach and sea. Located on the famous Cannes street, Rue des Estats Units, you'll be able to be tucked away from the noise while being in the heart of the excitement of the city at the same time. The couch can be converted into a sofa bed so you can have one more guest enjoy this central apartment. The master bedroom has a king-size bed and an attached ensuite bathroom with a bathtub. Picture yourself relaxing here with a glass of rosé in hand after a long day of events, meetings, and business lunches and dinners. Is there a better way to kick back and relax? The second bedroom also sports a double bed, making for a total capacity for your group reaching 3-5 guests. These simply-decorated bedrooms offer comfort, tranquillity, and ultimately a great night's sleep!
