Description

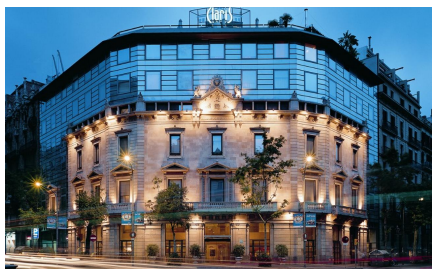

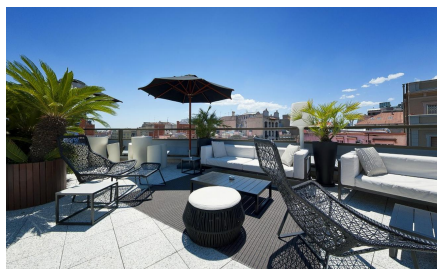

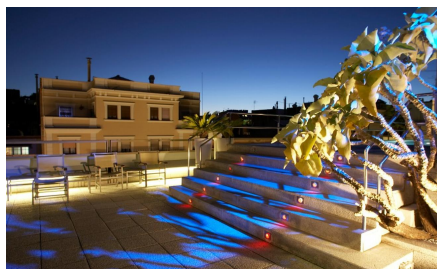

The Clarís Hotel Grand Luxe is located in the heart of Barcelona, just next to Passeig de Gràcia. It offers 124 hotel rooms of various types to fit all needs. The hotel also has a number of 27 to 200 m² modular function rooms that can host anywhere from 12 to 200 guests. Each of the hotel's function rooms—the Claris, Vedruna, Keops, Design, and the Egyptian Museum—is exquisitely decorated and fitted out with top-of-the-line services that can be tailored to any meeting or function. The Hotel Clarís also offers multipurpose venues that are ideal for cocktail parties, receptions and similar functions. Discover the best the hotel has to offer: the Clarís Restaurant, the glass-enclosed East Garden function room, the East 57 Cocktail Bar and La Terraza del Clarís rooftop restaurant with spectacular views of the Barcelona skyline. Its enviable location puts the city's biggest tourist attractions within guests' reach, including the main works of famous Modernist architect Antoni Guadí.
