The kitchen design is crafted elegantly with black cabinets and matching dining table, perfectly complementing the sophisticated hardwood flooring through the apartment. You can use the salon as a meeting room as well and the sectional couch can also serve as a sofa bed if you need to accommodate one extra person. The apartment terrace is provided with quality patio furniture along with a breakfast table with chairs for 2. The terrace is the ideal spot to enjoy your morning coffee and clear your mind while you prepare for the day ahead. The larger of the 2 bedrooms is furnished with a double bed and offers plenty of storage space. The other bedroom also consists of a double bed. One of the bathrooms comes with all-white tiles and a fitted bathtub and a toilet while the second one has a standing shower and a toilet. Plenty of large windows inside the apartment allows proper air circulation throughout the floor space.
