The duplex property is divided into 2 generously spacious lofts and features a beautiful inner patio in the centre that lets sunlight in to circulate throughout every room. The living rooms are designed in an artistic style with long and cosy couches placed next to stone walls and beautiful wooden stump tables in the centre. The entire villa is gracefully furnished and features multiple relaxing areas for you and your team to work with stable WiFi connection throughout. The 1st loft in this Cannes villa for groups contains a living and a dining room for group meeting sessions. There are also 2 bedrooms on this floor, both with ensuite bathrooms. On the next floor, you'll find a fully-equipped kitchen with a laundry machine and this section opens onto a 40m2 terrace and solarium. There are another 2 bedrooms and 2 bathrooms on this floor. The smaller loft in this villa provides another fully-equipped kitchen opening onto a balcony and has the remaining 2 bedrooms and 1 bathroom. Additional amenities include air conditioning, 2 car parking spaces and even a relaxing fish pond on the roof that you can see through the ceiling. This original and modern Cannes villa is ideal to keep groups together while remaining close to the Cannes convention centre.
