Description

This central studio is nestled on the 5th floor of a high quality residence right by the Carlton and the Croisette, and has been modernized recently. The bright main room opens onto a lovely terrace with a nice view of the sea, complete with a comfortable sofa bed as well as a folding single bed if you want to host a temporary guest. There's also a modern dining area that can be doubly used as a working space. The kitchen corner opens onto the room, and the marbled bathroom has a bathtub and toilets. WiFi and air conditioning in the studio for extra convenience.
