Description

Located in the Suquet area, this 6th floor (with lift) apartment has lots of space and has a classic yet modern feel to it. It has three bedrooms - one with a double bed, two with two single beds in each (one set can be turned into a double bed if needed) - and a large, comfortable living room. In an open plan style, the dining area is connected to the living room, giving it a spacious, airy feeling. One of the bathrooms is ensuite to the double bedroom, contains a shower and toilet, and there is another separate bathroom with a shower and toilet. A lovely, sunny terrace leads from the main living space, and overlooks the sea. There is also a fully equipped kitchen. Amenities include internet, Tv and laundry facilities.
