**Description**

This modern Cannes 2 bedroom apartment is residing on the 3rd floor of the famous Grand Hotel residency building. Situated on the celebrated Boulevard the La Croisette and at a 7-minute walking distance from the Palais des Festivals, this residency is famous for hosting numerous cocktail parties and networking events during major Cannes festivals. The highlight feature of this Cannes corporate accommodation for groups is its sea view terrace, decked with white table and chairs, which matches the general mood of the city of Cannes. The tall palm trees in the forefront and lush green garden view with the sound of the waves will make you feel like you're in paradise on your work trip. The luminous room features a lounge area with a plush white leather couch set, a flat screen tv, a 4-person dining table and a well-equipped open kitchen. The combined areas of living room and terrace, separated only by a sliding glass door would make a perfect place to have a meeting or organise a small inside cocktail party. Both the bedrooms are brightly lit, roomy and come with extended sitting areas. The master bedroom has an ensuite bathroom with a bathtub, while the other bathroom in the second bedroom consists of a shower. There is an additional guest toilet in the Cannes apartment for added convenience.
