Overflowing with palm trees and luxury hotels, the Croisette is a pleasant and energetic place where you can simmer down to the sound of the waves and the beauty of its stunning beaches. The apartment is airy and spacious, with a tastefully decorated living room, offering sea views from one facet and a long gallery with wall-to-wall windows offering views of the Cannes city on the other facet. The modern living room is tastefully decorated with minimalist furniture, imparting extra space to the apartment. The living room offers the perfect setup for office space and thus can be used for dual purpose. From the 6th floor terrace, which is an open space with shade, you will breathe in the fresh sea breeze and enjoy breathtaking views of the Mediterranean sea. Both bedrooms are full of warmth and come with an ensuite bathroom with a shower and toilet. One of the bedrooms has a double bed while the other has 2 single beds joined to make a double bed.
