Description

This newly refurbished Cannes event penthouse is located at just 5-minutes walking distance from the Palais des Festivals, on the Boulevard de La Croisette. Quite rightly presumed as the Mecca of shopping on the French Riviera, the Croisette is the 3-kilometre stretch along the sea and hosts most popular high-end luxury stores along with some of the most popular beaches. The penthouse features a glorious terrace of 100m² total space with uninterrupted sea views over the Bay of Cannes. The apartment terrace is furnished with lounge furniture and is ideal for social gathering and hosting an event such as a cocktail party during congresses and festivals. Keep your eyes peeled and you just might spot some celebrity action on the next door terrace of the prestigious Carlton Hotel. The living room is a palatable mixture of simplistic design and quality crafting. Shades of white and brown are prominent in the colour scheme. The large living area comes with a 6-person dining table. A big TV screen is fitted inside a floor-to-roof square pillar, facing the fashionable couch set in the living room. Persian white-polished marble tiles on the floor adds to the gracefulness of this Cannes rental penthouse by the beach. The top of the line open-plan kitchen is clad with exceptional finishes including a sleek and stylish black countertop. Each of the 2 bedrooms has a double bed and ensuite bathroom with shower and toilet. There is also an apartment security system, so you don't lose your precious sleep over anything. Amenities include a concierge, air conditioning and internet.
