Description

This modern Cannes rental apartment is situated on the 1st floor a newly constructed and secured residence with an elevator. Palais des Festivals is only a kilometre away and the main shopping district is just a 6-minute walk from this Cannes rental accommodation for a group of 6. The floor of the apartment is high-polished wood, dark and dust free. The bright and spacious living room is furnished with 2 couches, 2 chairs, a coffee table and a TV. There is a fully-equipped, open-plan kitchen and a high-top dining table that seats 6. The paintings hung on the walls of the living room are colourful and well-arranged and contribute to a tranquil atmosphere. The charming terrace is covered on the top by a roof and equipped with relaxing patio furniture. It provides pleasant residence views and offers a perfect spot to sit back and enjoy the morning coffee. You can access this terrace from both of the bedrooms. The 1st bedroom consists of a double bed while the 2nd bedroom offers a double bed and a bunk bed. Out of the 2 bathrooms, one comes with a bathtub and a toilet and the other one consists of a shower and a toilet. You also have an option to park on the premises by shedding a few extra but reasonable bucks as it is usually a big problem to find a parking spot in Cannes, particularly during the festival and event days. Additional features include internet, air conditioning and washing machine.
