Description

This incredible 6 bedroom, 6 bathroom villa is perfect for group accommodation, as it is located just 20km from Barcelona (20 minutes) and less than 10 minutes from the beach. It's situated on 2 acres of luscious land with a lake and natural waterfall. It also provides a salt water swimming pool with lounge chairs, a furnished terrace, as well as various gazebos. On the 1st floor, 4 of the bedrooms provide 2 single beds with ensuite bathrooms. There is also another bedroom off the kitchen that used to be the service quarters that's been completely reformed that offers 2 single beds as well as a sofa bed (but due to the size of the room we recommend a maximum of 2 people.) The 2nd floor has another bedroom with 2 single beds, a living room, and bathroom. There are various living rooms and dining areas with a Victorian era decor. The kitchen is modern and fully equipped and there is air conditioning and Internet throughout! This villa will make for an unforgettable group stay!
