**Description**

This Cannes group apartment is nestled on the 2nd floor of a building with an elevator and is a perfect team accommodation for delegates attending conferences as it is located at just 8-minute walking distance from the Palais des Festivals. Two of the most famous Cannes streets are in the vicinity of this rental apartment in Cannes centre. Rue de Antibes is right around the corner and La Croisette is only a 4-minute walk from here. The living room is delightfully cosy and is furnished with a grey couch facing the wall-mounted flatscreen tv. The furniture is scaled to the size of the room and creates a sense of extra space. Rustic grey ashwood flooring provides a refined look to the living room, and the open-plan American kitchen provides aesthetic appeal and functionality. Natural light entering from the large windows brightens up the bedrooms. The master bedroom represents simple living with good taste. It opens onto the terrace, has a double bed, and connects to an ensuite bathroom with a bathtub and toilet. The other 2 bedrooms also come with double beds and ensuite shower rooms. There is also an independent toilet near the entrance in case you're entertaining important guests during your stay. Additional amenities include Internet, air conditioning, heating, a washing machine, and a dishwasher.
