Description

Get ready to be impressed by the design and views from the moment you set foot inside this 4-bedroom modern property set in the upscale East Cannes area. Just 2-kilometres away from the Palais des Festivals, this is a great villa for corporate teams who seek luxury and comfort during Cannes events. Constructed on multiple levels, this extravagant Cannes rental villa is a true architectural gem. On the upper ground level, the living room, the dining area and the open kitchen have direct access to the swimming pool and sunbathing spot, provided with lounge chairs. The moment you open the glass door to the terrace, the entire area becomes the coolest party space, a perfect setting to throw the classiest cocktail party. From here you can enjoy the charming and magnificent views stretching over the entire city to the Bay of Cannes. The sitting area of the living room is furnished with plush couches facing the large screen TV and an electric fireplace. The modern kitchen offering white marble countertop is fully equipped and comes with bar stools. You will be forced to leave the stress behind when you enter the master bedroom of this luxury Cannes villa. Occupying the floor above the living space, it has direct access to a terrace and comes with an open bathroom concept. Lie down in the bathtub and enjoy the breathtaking views of the Mediterranean. All 4 bedrooms have double beds and there are another 2 bathrooms with a toilet and shower. There are 3 other toilets spread throughout the property for added convenience. The top floor terrace features an open air jacuzzi. Additionally, the villa includes 2 garage spaces and a gym area so you can stay fit while travelling.
