Description

This 1-bedroom, 48m2 Cannes apartment is great for attending a conference or festival, as it's only a 14-minute walk to the Palais des Festivals along the famous Boulevard de la Croisette. From the 14m2 terrace, you have a view of Le Palais Miramar and the Sea. It's the perfect place to spend your free time or have guests over, as it's covered and is fully furnished with a 4 person dining set, as well as a cushioned sofa and stool with a small table. The terrace opens onto the living room, kitchen, and bedroom. The living room is an open-plan space with light undertones and splashes of colour. There is a double Murphy bed that can be folded down if your group needs additional sleeping space. The sectional sofa sits up to 5 people and also comes with a TV and oval saucer chair. It's connected to the kitchen area by a high breakfast bar that includes 3 stools. The kitchen is modern, fully equipped and comes with a fridge, induction hot plate, oven, microwave, and Nespresso coffee machine. The bedroom has a unique design and if you are a nature lover this is the spot for you! An entire wall offers a landscape of trees, making you think you're in the middle of the forest. This compliments the flowers and plants on the terrace right outside the sliding glass door. It has a double bed and comes with a nightstand and lamp on each side of the bed. The bathroom includes a shower, toilet, and vanity sink. The apartment also offers a laundry cupboard with a washing machine and dryer. Other amenities include Internet and air conditioning.
