Description

This 4 bedroom apartment is located on the Croisette right across from the Palais des Festivals. It's situated on the 4th floor of a luxurious residence with an elevator. It's perfect for a group accommodation for events and congresses. When you step out onto the balcony of this residence you see a direct view of the Palais, and you won't need to worry about getting to your event because you only need to walk across the street. You couldn't ask for a better location for your group accommodation in Cannes! The decor of this apartment is elegant and stylish. This apartment has various living rooms and a bar with stools, making it a great place to have a networking event. There are many large couches and chairs so you and your guests can relax in comfort. There is also a long dining table that seats 10 people so it's great for a business meeting or working dinner. The kitchen is separate and walks out onto a balcony and also has a dining table that seats 4 people. The master bedroom has a double bed and is like a hotel suite with access to the balcony and includes a TV and comfortable armchair. The 2nd bedroom has 2 single beds that can be made into a double bed if desired and also has access to a balcony and comes with a TV. The other 2 bedrooms have windows that allow in natural light and both have a TV; 1 with a double bed and the other with 2 single beds. All the bedrooms come with a spacious ensuite bathroom, 1 with a bathtub and 3 with a shower, and they all have a toilet. Additionally, the apartment comes with Internet, air conditioning, heating, a washing machine, a dishwasher, and the possibility of 3 parking spaces.
