Description

This bright studio accommodation is perfect if you're traveling to Cannes to attend an event. Located at a 1-kilometre distance from the Palais des Festival, this Cannes rental studio is great for business trips. Its smart design provides the illusion of having a separate room, as the sleeping area can be separated from the living area by closing a floor to ceiling curtain to give yourself some privacy. The living area has a sectional sofa that also doubles as a sofa bed in the event you need sleeping arrangements for 2 people. Behind the curtain there is a double bed with access to a lovely terrace. When you step out onto the covered terrace you can sit at the patio dining set for 4 and enjoy your morning cup of coffee with some fresh air. The kitchen has new appliances and is open and equipped for basic cooking needs. The neat and clean bathroom comes with an Italian shower, vanity sink, and a toilet. Additionally, the apartment contains a TV and has Internet connection. You also won't have to worry about hot summer days, as there is air conditioning. This apartment is located on the 2nd floor of a residence with an elevator.
