Description

This is a wonderful Cannes group apartment for rent behind the Grand Hotel and a short 9-minute walk the Palais des Festivals. After a long day of events, you will enjoy returning to this modern hotel-like accommodation. The colourful decorations add a nice and stylish touch. It's 90m2 and is situated on the 2nd floor. The living room comes with a sofa, arm chair, television, and glass coffee table. There is a dining area that is connected to the living room and provides a high table with 6 stools. The kitchen is separate and fully equipped and also comes with a breakfast bar area with stools. The mirror backsplash is classy and gives the illusion of a larger space. Prepare a meal as a team or use the space for a relaxing morning breakfast before a big day. For sleeping arrangements, each of the 4 bedrooms are designed for corporate guests, as they each come with 2 single beds that can be turned into a double bed if desired. This is a great accommodation for privacy as each bedroom has an ensuite bathroom with a shower or bathtub and a toilet. Additional features include air conditioning and the Internet. Let this be your home away from home for your next conference in Cannes!
