Description

This very spacious 4-bedroom penthouse apartment is just a 7-minute walk from the Palais des Festivals. It offers one of the most unique designs available in Cannes for group rental as the living room bay windows can open to transform this contemporary living room into a gorgeous rooftop terrace. The terrace faces south offering an incredible sea view. The natural light coming through the windows creates a beautiful setting for entertaining guests or enjoying a dinner with colleagues. There's nothing like looking up and seeing the blue sky or beautiful stars. The living room/terrace comes with 2 sofas, a TV, a coffee table, and a dining table that seats 8 people. The open plan kitchen is fully equipped and convenient if you are having a cocktail or networking event. The bedrooms are spacious and they all come with 2 single beds with the possibility to convert them into a double depending on your needs. They all have windows allowing for great natural lighting. It's great if you have a large team, as it can accommodate up to 8 people. You will have all the privacy you need as there are 4 bathrooms with a toilet and shower, and there is a guest toilet as well. The apartment comes with Internet, air-conditioning, a washing machine, and dishwasher.
