Description

Basic four bedroom house on Rue Meynadier, a 5 minute walk from the Palais. This two level house includes a large living room with dining area, an equipped kitchen, two bathrooms and four bedrooms. The living room connects to a mezzanine that accesses one of the bedrooms - although the bedrooms are better accessed by the front door. The other 3 bedrooms are located on the first floor. Two of those rooms are double rooms, and one has 2 twin beds. There are 4 bedrooms in total. There is a large, private terrace in the front that accesses the living room and kitchen. Has air conditioning in every bedroom and comes with WIFI. This house has a lot of charm, but it is a basic option. It is not a place to receive guests. Apartment is accessed from rue Meynadier by a small corridor, which is safe, but of low quality.
