Description

Everything about this gorgeous Cannes 6-bedroom rental accommodation is pleasing and exciting. This charming Cannes townhouse was renovated from an old pottery factory and one can still enjoy the artistic interiors, enhanced by the unique stone walls. Positioned on arguably the most entertaining Cannes street, Rue Meynadier, it is just a 4-minute walk from the Palais des Festivals. Feast upon the widest range of eateries you'll find on a Cannes street while you stay here. Constructed on 3 levels, the 1st floor includes a stone-wall double living room, with couch sets and a dining area for 10 people, making it a perfect group meeting spot. The living room opens onto the patio with outdoor furniture and an option to be covered with an awning. The fully equipped separate kitchen is modern and spacious and comes with 4 leather bar chairs for the kitchen counter. The 2nd floor also features a small kitchenette along with 3 bedrooms and 2 bathrooms. On the 3rd floor, you'll find another 2 bedrooms with 3 bathrooms. The 6th room has 2 single beds and is the most spacious bedroom in this Cannes central group apartment. But it has no door since it is designed like a tv lounge with a sofa in the corner and long glass doors opening to a private balcony. There are 8 single beds and 2 double beds in total in this corporate Cannes rental and all the bedrooms have wooden floors. An extraordinary Cannes apartment, this accommodation is perfect for large groups of conference attendees and can host a cocktail party of up to 50 guests. Other amenities include internet access, air conditioning, satellite TV and 2 sunny terraces.
