### Description

The CANA04829 is an exquisite 175 m2, 4 bedroom apartment is located just across the street from the Palais on the fourth floor of the building (with lift). It comes with an equipped kitchen, 1 master bedroom with double bed, with ensuite bathroom, and three other bedrooms, 2 single beds in each, all with their individual showers. One of these rooms is actually more like a separate studio right next door to the larger apartment, with its own bathroom and small kitchen, so keep that in mind. It has it's own separate entrance from the main apartment. The large flat has a very spacious living room, and an extra room with large table and chairs, perfect for either dining or meetings. The living-room opens onto a balcony, which is about 1m wide and 7m long, it's facing the sea and offers wonderful views over the bay, the Old port and the Festival palace. Comes with all the amenities of a high class apartment, including air conditioning and internet access.
