✓ Television			

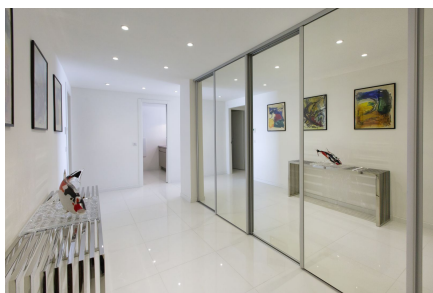

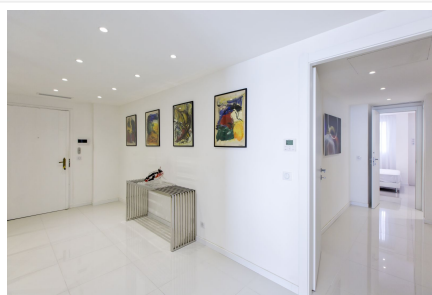

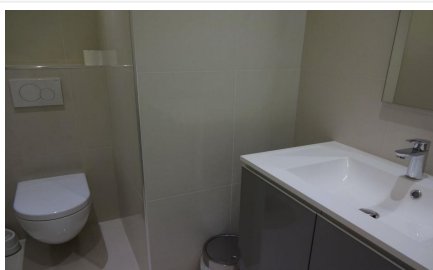

Description

This 2 bedroom Cannes corporate accommodation is nestled in the Grand Hotel residency on the iconic Boulevard de la Croisette and offers everything you need for a short business trip. The residency itself is a symbol of royal architecture of Cannes and is particularly sought-after by the Cannes event attendees because of its proximity to the Palais des Festivals, just a 5-minute walk. Another advantage of renting out this Cannes group apartment is the access to the numerous networking events hosted in the gardens of this famous Cannes residency. The living room consists of soft and subtle colours consisting of different shades of white with chrome finishing. It is furnished with a plush leather couch, placed facing a large screen tv. This area opens onto a spectacular 6th-floor sea-view terrace which is equipped with a table and chairs for outdoor dining or meetings. The terrace combined with the salon is, without a doubt, the highlight feature of this Cannes event apartment. The concept living room along with the generous dining area combine exceptionally well with the tastefully appointed kitchen. This fully equipped open kitchen is provided with all the modern appliances and lets you cook your meals to perfection. A sense of exclusivity and planning pervades the ambience of the apartment. The bedrooms are spacious and consist of bedside lamps. Both the bedrooms come with double bed and ensuite bathroom with showers.
