### Description

Incredible and very unique property located in Suquet, only a few minutes walk to the marina and the Palais. It has been completely renovated and is composed of 4 separate apartments (with separate entrances) distributed over 3 floors, but rented all together as a 5 bedroom house. The entire house is air conditioned, and there is no lift. They go in order from the 1st floor up to the 3rd floor. The breakdown is as such - 1ST FLOOR: 1 apartment with a living room, kitchen, 1 bedroom with a large bed, and 1 bathroom with a shower and toilet. 2ND FLOOR: 1 apartment with a living room, kitchen, 2 bedrooms (each with a double bed), and a bathroom with a shower and toilet. 3RD FLOOR: 2 apartments, with a mezzanine, and each with a living room, kitchen, 1 bedroom with a double bed, and a bathroom with a shower and toilet. Though located in a somewhat lively area, the bedrooms are not facing the main road but rather the back street so it's quieter for sleep! Fabulous property!
