Description

The CANA03942 is a spacious apartment with 3 bedrooms on Boulevard Jean Hibert, a 12 minute walk to the Palais. When you enter the apartment there is a small reception/entrance with a spare bed (not a bedroom, just a spare single bed). You go up the stairs, which leads to the bright living room area. There are 3 bedrooms: 1 double room with bathroom en-suite and sea views, 1 twin room with bathroom en-suite with sea views, and 1 additional double room with a double bed and a 3rd en-suite bathroom. If the curtains on this window are open then you can see into the room when at the top of the stairs and from part of the dining room, but you cannot see into the room if the curtains remain closed. The entrance to the bedroom from the living room is actually a door, please refer to the photos. The kitchen is completely equipped and the large living room opens onto a nice terrace. There is also a small office, a TV , Internet and a washing machine available for your convenience.
