Description

The CANA01953 is a beautiful, modern one bedroom apartment in a classic and recently renovated building located behind the Noga Hilton (less than 10 minutes walking distance from the Palais des Festivals and 2mn from the Croisette and its beaches). The apartment is comfortable and very well decorated. There is satellite TV, insulated windows, air conditioning, all new appliances, a marble bathroom, two twin beds (or a double) and a convertible couch. There is a nice garden vie, and the apartment is calm and gets great light. A long terrace wraps around the whole apartment. The apartment also has a lift and WIFI.
